

**REMARKS**

In amended Figure 6, a previously omitted element number 68 has been added in accordance with the office action.

In further accord with the office action claims 17 and 18 have been amended so that they currently depend from claim 16. The examiner has acknowledged that the amendment of the drawing and the claims renders this case allowable.

Applicant respectfully requests that a timely Notice of Allowance be issued.

Respectfully submitted,

  
Leonard Weiss
